## Our outdoor *adventure* may be over,

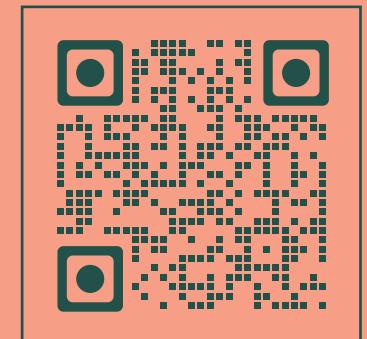

but we'll always have the memories we made! Chococat photographed his favorite moments from the trip and plans to share them with everyone (after posting on his social media, of course). Keroppi told his favorite scary stories as the group ate snacks around the campfire, and Little Twin Stars met the curious forest animals that stopped by the campsite. Hello Kitty's favorite moment? Becoming one with nature with her very best friends!
